

## Courses Offered

**Basic SWAT** – This course is designed to teach officers all of the basic skills required to be a SWAT team member. We will cover everything in the classroom and then have officers apply that training in field scenarios. Topics include team structure, tactical movement, and scouting, all levels of entry, vehicle take downs and officer/victim rescue.

Length: 5 days Tuition: \$550

**Hostage Rescue** – This class will cover in depth all of the problems associated with hostage rescue. We will provide you with the skills, tactics and methods for training to make your mission as successful as possible.

Length: 3 days Tuition: \$350

**Entry School** – We will show you how to enter buildings safely to search for barricaded subjects, recover evidence or to save lives. This class covers all five speeds of entry and will give you tons of repetition on all techniques taught. We incorporate the use of all the latest technology to ensure team safety and efficiency

Length: 3 days Tuition: \$350

**Team Leader** – This course covers everything you need to know to be a working team leader. We will teach you how to plan missions, manage officers, set standards and select personnel. Instructors are experienced, active team leaders for large teams.

Length: 3 days Tuition: \$350

**Rifle/Subgun** – We will certify you to operate your Semi or select fire rifle or submachine gun for all law enforcement missions. This course will teach you fundamentals and then move to advanced techniques. We start in the classroom and then move to the range quickly to get you as comfortable as possible with your assigned weapon.

Length: 3 days Tuition: \$350 (**Instructor Course is 5 days, tuition \$550**)

**Narcotics Warrant Service** – We will show you how to scout, gather intelligence, plan, brief and serve your warrant as safely as possible using several techniques. Our instructors have served thousands of drug warrants and continue to serve them today.

Length: 3 days Tuition: \$350

**Tactical Pistol** – This course will teach you how to be more effective with your pistol during CQB engagements. We cover all the basics, and then we teach you to win gunfights, not marksmanship badges.

## Courses Offered

**Active Shooter** – This class is a must for every police officer. We will teach you several different techniques to manage the active shooter problem. We will discuss several cases and techniques in the classroom, then move to practical exercises so you feel extremely comfortable moving toward the threat.

Length: 2 days Tuition: \$250

**Mechanical / Shotgun Breaching** – This class covers all topics concerning forcible entry. We will discuss using battering rams, halligan tools, and shotguns, pry bars, hydraulic tools, pull hooks and everything else you can think of to force your way into a structure. This class is heavy on practical exercise and you will use all of the tools mentioned above to effect forcible entry using team tactics. (Course does not include explosive entry)

Length: 2 days Tuition: \$250

**Tactical Movement** – We will teach you the skills to move as an individual or as part of a team through heavily wooded areas or open desert. This class includes individual skills and team tactics. This is not an infantry school; it incorporates officer safety while still accomplishing the mission. There are no acceptable losses for LEO's!

Length 2 days Tuition: \$250

**Patrol Procedures** – This class is designed for the active patrol officer. We will show you cover everything from building clearing to felony stops. This class takes it to the next level for patrol officers by forcing you to think your way through a situation instead of just following the footsteps of others. This class is unique and is guaranteed to give you new information and ideas to handle these every day kind of calls.

Length 2 days Tuition: \$250
